- Leslie Singel
- Maureen Smith

Dear Kell,

On behalf of the Irish American Heritage Center and our 2010 iBAM! planning committee, we wanted to say thank you for donating your time and entertainment to our event this year.

Murphy Roche's music was very well received by our iBAM! attendees and a great part of the weekend. Hopefully, it was a positive experience for you and your group as well.

Thanks again for your support.

Best Regards,

Frank Gleeson

Cultural Committee Chairman
